MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN ENUGU STATE PRIMARY HEALTH CARE DEVELOPMENT AGENCY (ESPHCDA) AND AXTON-VENT INITIATIVES FOR ETHICS AND MORAL VALUES AND BUILDING FAMILIES LTD/GTE

Ref No: AVI/ESPHCDA/MOU/2024/06/10

Date: 10 June 2024

RC 7252257, No 112 Ogui Road, Enugu 400001, Nigeria

1. PARTIES

A. Enugu State Primary Health Care Development Agency, Enugu Secretariat, Enugu - "ESPHCDA"

B. Axton-Vent Initiatives LTD/GTE, CAC 7252257 - "Implementing Partner"

2. BACKGROUND & PURPOSE

ESPHCDA has mandate for 250 PHCs. Implementing Partner piloted v1.0 in 12 PHCs (12,340 encounters: 5,140 maternal + 7,200 U5). Results promising but not yet independently evaluated at scale. Parties wish to collaborate SOLELY for independent field validation through a cluster RCT of v1.3 in 100 PHCs. This MoU is for research authorization only and does not constitute a government scale-up commitment or funding.

3. SCOPE

Implementing Partner will:

- a) Deploy v1.3 in 100 PHCs RCT across 17 LGAs
- b) Provide tablets, solar kits, training, data bundle at no cost
- c) Share anonymized DHIS2 data via dashboard
- d) Train 100 CHEWs/CHOs

ESPHCDA will:

- a) Provide PHC list and authorization
- b) Assign State Focal Person and LGA supervisors
- c) Allow BHCPF and DHIS2 integration
- d) Retain ownership of health data
- e) ESPHCDA acknowledges that scale-up beyond this RCT is contingent on RCT evidence and availability of external research funding, and ESPHCDA has no financial obligation for tablets, solar, or implementation costs.

4. DURATION

10 June 2024 to 31 Jan 2029, renewable. Pilot 12 PHCs completed.

5. DATA & ETHICS

No financial obligation on ESPHCDA. All costs for RCT are to be borne by Implementing Partner through external research grant being sought. Hardware remains property of Implementing Partner.

6. TERMINATION
